

THE DEMOGORGON CIRCUIT

Typing Challenge – “The Speed Protocol”

Objective:

Prove your speed and accuracy to unlock the next terminal.

Platform:

You will use **Monkeytype**

<https://monkeytype.com/>

Challenge Rules:

1. Use **Keyboard Only**. (Mouse usage is not allowed during the test.)
 2. Set the following configuration:
 - Time Mode: **30 seconds**
 - Language: **English**
 - Difficulty: Default
 3. Only **one team member** may type.
-

Proof Submission:

After completing the test:

1. Take a **screenshot of your result screen** clearly showing:
 - WPM
 - Accuracy
 - Time
 2. Upload the screenshot in the provided **Google Form submission field (QR Code given below)**.
 3. If your score meets the criteria, the form will unlock the next terminal location.
-

Important:

- Editing screenshots will lead to disqualification.
- Switching tabs during the test is not allowed.
- Refreshing after achieving required score is not allowed.
- Judges may randomly monitor screens.
